- (a) Expenditure in 1951-52 of £9.5 million for milk-in-schools all added to Education Votes.
- (b) Includes £347.5 million for National Health Service (England and Wales) and £43.4 million for National Health Service (Scotland) and £3.5 million for medical services then provided by Ministry of Pensions and now transferred to National Health Service.
- (c) Legal aid scheme in initial stage of operation.
- (d) Total excludes Exchequer equalisation grant to local authorities, much of which is related to social service expenditure; increased from £55.4 million in 1951-52 to £78.3 million in 1955-56.
- (e) Exchequer contribution to National Insurance Fund £104.5 million in 1951-52 (plus £4.1 million for extended unemployment benefit) and £92 million in 1955-56. In future years increases in annual Exchequer expenditure will be approximately same as increases in expenditure of National Insurance Fund. Exchequer contribution to Industrial Injuries Fund increased from £6 million in 1951-52 to £8.1 million in 1955-56.
